1. Payment of Fees

Fees must be paid before visa documents are issued and no later than 14 days before arrival.

In Australia, students with multiple study periods must pay the total due on enrolment before visa documents are issued and no later than 14 days before arrival. Subsequent instalment payments must be received in accordance with the due dates stated on the invoice.

In California, students with programmes more than 16 weeks in duration may elect to pay in full or to pay tuition in instalments. Students choosing to pay in instalments must pay the total due on enrolment before visa documents are issued and no later than 14 days before arrival. Subsequent instalment payments may be received in accordance with the due dates stated on the invoice. Instalment due dates for each course are determined according to the length of the programme. Instalments will be no more than the equivalent of 16 weeks' worth of the programme tuition until the programme duration midpoint, when any outstanding balance must be received in full.

Transfer and accommodation documents will be released 14 days prior to arrival once payment has been received in full (where applicable). We reserve the right to add a fee of 2% of the payment amount to any late payment.

Payments made using a credit card may be subject to a 2.5% credit card processing fee.

2. Services

Embassy English reserves the right to change details of its services, including courses, facilities, accommodation, and course dates, where circumstances beyond Embassy English's control necessitate such changes or where the number of enrolments is not enough to operate a course viably.

3. Course Entry Levels

Most courses require minimum levels of English for entry. If after the placement test, a student is found to be below the minimum level required to start the course, Embassy English reserves the right to place the student in a class appropriate to the student's language level and/or a different curriculum. Where this results in extending the duration of a student's course, Embassy may need to issue a new Certificate of Enrolment. Students may be transferred to the nearest Embassy English Centre running a lower level course.

4. Changes to Enrolments

Embassy English reserves the right to charge an Administration Fee (GBP50; CAD80; AUD120; NZD90) each time course or accommodation details are changed or cancelled after a place has been confirmed. Additionally, when a change request for a previously confirmed accommodation is received less than 7 days in advance of the scheduled arrival date, an equivalent week's accommodation penalty fee will be charged. These fees will not apply to upgraded or extended courses.

5. Changes to Airport Transfers

Notification of change to airport transfers must be sent to our International Admissions Centre at least 2 full working days prior to the designated arrival time. If notice is not received Embassy English cannot be held liable for operational errors, and an additional Transfer and/or Administration Fee may be applied.

6. Accommodation and Travel details

Accommodation and transfer confirmations* will be provided 14 days prior to course start date for all enrolments received more than 4 weeks in advance of course start date.

Accommodation and transfer confirmations* will be provided no less than 4 days prior to course start date for all enrolments received less than 4 weeks in advance of course start date.

* Provided travel details and payment in accordance with your payment arrangement has been received

If travel information is received less than 2 working days prior to the scheduled arrival date then Embassy English may not be in a position to provide the transfer or accommodation service for the weekend of arrival.

7. Accident and Medical Insurance

It is necessary that all students have appropriate accident and medical insurance. Students must provide proof of adequate cover at enrolment. Embassy also offers insurance coverage called StudyCare. Cover under the StudyCare insurance policy does not commence until the insurance fees, which are non-refundable, have been paid in full. StudyCare is not available to students within Australia.

In the UK, students not wishing to take StudyCare must present an equivalent insurance certificate or European Health Insurance card on arrival.

In the USA, Canada, and New Zealand, students not wishing to take StudyCare must present an equivalent insurance certificate on arrival. Students without insurance must take StudyCare.

In the USA, StudyCare is mandatory for students taking English in Action. In Canada, StudyCare is mandatory for students taking the International Internship Programme and the Work Placement programme.

In New Zealand, having appropriate and current medical and travel insurance is compulsory for all international students. This is a requirement of the New Zealand Ministry of Education under the Code of Practice for the Pastoral Care of International Students, found on their website at www.minedu.govt.nz/goto/international. Most international students are not entitled to publicly funded health services while in New Zealand. If a student receives medical treatment during a visit, they will be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

In Australia, it is compulsory for those on Student Visas to take Overseas Student Health Cover (OSHC) for the duration of the time they are in Australia. Students need to buy OSHC before coming to Australia, to cover them from when they arrive. This ensures they have adequate health care arrangements while studying in Australia.

If the student chooses for Embassy to arrange OSHC for the first course/year only of their programme, it is their responsibility to either extend or take out OSHC for the rest of their time in Australia. They must provide evidence of cover for the entire study period before a Confirmation of Enrolment will be issued. There will be no refund of StudyCare Insurance post-arrival.

8. General Refund Policy

All refunds will be sent to the account of the Embassy representative to whom the fees were originally paid, or to the individual from whom Embassy has received the original direct payment, except in New Zealand where the refund will be paid directly to the student.

If a student's visa application is rejected after payment has been received, all fees, excluding any cancellation fees detailed in the Cancellation Policy below, will be refunded within 28 days, provided a visa refusal letter is received by our International Admissions Centre at least 2 working days before the course is due to start and the student has fulfilled all requirements for a visa application. Students in San Diego, Los Angeles and San Francisco must sign a California State Enrolment & Refund Agreement form. Refunds will be processed according to these terms and conditions.

Australia

In Australia this agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws. Refunds will be provided to students within 28 days if the student defaults based on a visa denial provided the International Admissions Centre receives the visa denial letter.

If Embassy defaults, the student is eligible to receive a refund of the unexpended pre-paid tuition fees which the student has paid to Embassy. The refund amount will be based on the portion of tuition for which the student has paid but for which tuition has not yet been received. In the unlikely event that Embassy is unable to deliver a course in full, the student will be offered the refund amount in accordance with the above paragraph. The refund will be paid within 14 days of the day on which the course ceased being provided. Alternatively, the student may be offered enrolment in a suitable alternative course by Embassy at no extra cost. The student has the right to choose whether they would prefer a full refund of course fees, or to accept a place on another course. If they choose placement on another course, Embassy will ask them to sign a document to indicate acceptance of the placement. If Embassy is unable to provide a refund or to place the student on an alternative course, the Australian government's Tuition Protection Scheme's (TPS) director will provide access to a suitable alternative course.

9. Cancellation Policy

Embassy defines "cancellation" as a change occurring before the start date of the first course. All cancellations must be made in writing to our International Admissions Centre and the following refund policies apply: Enrolment Fee, Courier Fee, Accommodation Placement Fee, or Administration Fee are non-refundable.

10. Tuition Refunds before Arrival UK and Canada

Where cancellations are received in writing more than 14 days before the first course start date 100% of tuition fees will be refunded, but any courier fee, enrolment fee, UK Visa application fee (CAS) and added administration fees are non-refundable (In the USA, not to exceed \$500.) Where cancellations are received in writing 14 days or less prior to the first course start date students will be charged GBP250 (UK) or CAD350 (Canada), in addition to the fees listed in this paragraph.

Australia

For pre-arrival Student visa refusal, the following applies:

a) Visa Refusal: Embassy English agrees to refund within 28 days, tuition and non-tuition fees paid where the student produces acceptable certified evidence that the application made for a student visa was rejected by a visa-issuing authority. The amount of the refund is the fees paid by or on behalf of the student, minus the lesser of the following amounts that will be retained:

1) 5% of the amount of fees received (pre-paid tuition fees, non-tuition fees)
2) \$500

b) Students will be charged the enrolment fee plus 30% of total tuition fees, as well as all other sundry fees if cancelling prior to the start of their course but have not been refused a visa.

For non-student visa refusal and general cancellation, including student visa applicant, the current cancellation fees of Tuition and Accommodation refund policy before arrival still apply.

New Zealand

In New Zealand, students will be refunded tuition fees in full, less the Enrolment Fee.

Accommodation Refunds before Arrival

a) Students cancelling their accommodation less than 14 days before arrival will be charged an amount equal to 1 week of accommodation (except in USA).

b) For cancellations less than 48 hours before arrival, an amount equivalent to 4 weeks of accommodation will be charged, or the full accommodation fee if the booking is less than 4 weeks in duration (except in USA).

11. Withdrawal Policy

Embassy defines withdrawal as termination of a course after the first course has started. Any withdrawal must be made in writing to the Centre Director of the Embassy school where the student is studying. Enrolment Fee, Courier Fee, Accommodation Placement Fee, and StudyCare or OHSC premium will not be refunded for any student terminating their course after arrival.

Tuition Refunds after Arrival

Written notification of withdrawal must be provided as a condition for making refunds. If a student breaches the visa conditions, no refund of the tuition fees will be made.

USA

Refunds are calculated from the last date of attendance.

- For courses of 4 weeks or less, no refund will apply.
- For courses longer than 4 weeks, students who terminate in the first 4 weeks will be refunded all tuition fees except for 4 weeks calculated at the non-discounted (General English) rate.
- For courses longer than 4 weeks, students whose withdrawal occurs after the first 4 weeks but before the midpoint of their course, Embassy will retain a pro-rated amount of tuition at the non-discounted (General English) rate.
- For students whose withdrawal occurs after 60% of the course has been completed, Embassy will retain all tuition fees.
- California locations: Embassy will retain a pro-rated amount of tuition at the non-discounted (General English) rate.

UK, Canada and Australia

No tuition fees will be refunded to students who notify the Embassy English Centre of their withdrawal after the commencement of their first course. When a student has enrolled in multiple locations/courses, the course start date for the purpose of this clause is that of the initial Embassy course.

New Zealand

- For courses of 1 to 34 days duration, if the student withdraws within the first 2 days of the course, they will receive 50% of the total fees paid. If they withdraw after the first 2 days, no refund is made.
- For courses of 35 days to 3 months duration, if the student withdraws within the first 5 days of the course, they will receive 75% of the total fees paid. If they withdraw after the first 5 days, no refund is made.

c) For courses greater than 3 months, if written notice of termination is received by the end of the eighth day of the course, a termination fee of the lesser of NZD500 or 10% of tuition will apply. Students terminating after this period will not receive a refund.

Accommodation Refunds after Arrival

Students leaving their accommodation must give at least 28 nights of notice in writing. After deducting the price of accommodation used, including the required notice period charged at the standard accommodation rate, accommodation fees in excess of the accommodation period will then be refunded, less the administration fee. Local policies may apply depending on provider and are available upon request.

12. Visas

Students should contact their local embassy, Consulate or High Commission to ensure they are allowed to enter and study in their chosen country. If a student does not possess or maintain a valid visa status in accordance with the visa conditions then their course will be terminated without refund.

For students wishing to study in the USA, Embassy is authorised under Federal Law to enrol non-immigrant students. By law, to issue the I-20 form, with the Enrolment Form, we must receive:

- The student's home address
- Proof of sufficient funds to meet tuition and living expenses such as a current bank statement or a letter from their bank
- A letter or notarised affidavit guaranteeing support from their parent or employer or sponsor

No visa support documentation will be provided until all fees have been received.

14. Resolution of Disputes

In the event of a dispute between an individual student and Embassy, procedures are in place to facilitate the resolution of the dispute. Any complaint should first be made to the student's Embassy Centre Director. Each complaint will be fully investigated provided that it is received within a month of the course ending and all fees have been paid. If the matter is not resolved, the student should communicate in writing to the local Embassy Head Office (see inside back cover).

In Australia, students may lodge an external appeal or complain about this decision through the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider.
