## Course Pathways at Concorde International

We understand that our clients have very different preferences when it comes to choosing their accommodation. Therefore we are pleased to offer the following choices for our students in Canterbury.

### Homestay Accommodation

Most clients choose to stay with one of our hosts where a warm welcome is guaranteed. Students have a single room and the host provides breakfast and dinner each day. This allows the opportunity for students to practise their English outside the classroom and experience life in a British home.

Generally, students of the same nationality are placed in different homes unless friends ask to be placed together, however in peak time this may change.

Our hosts are located in different parts of Canterbury, and the nearby seaside towns of Whitstable and Herne Bay.

In Canterbury, some students will be able to walk to school each day, others will need to take public transport.

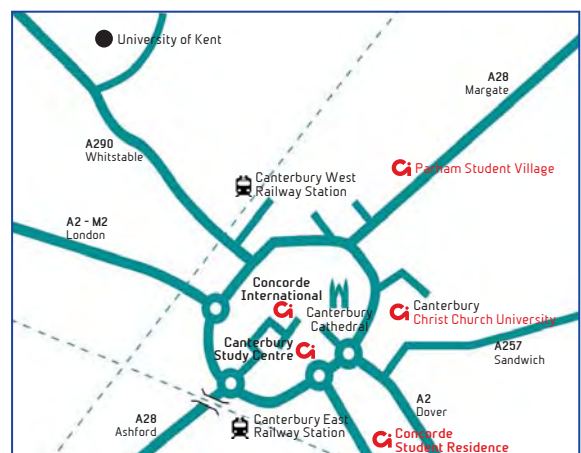

### Student Residence

Modern accommodation with comfortable-sized single, double and twin bedrooms, a large self-catering kitchen and a cosy living room. It is located close to a supermarket, on a direct route into Canterbury. This is an ideal residence for those students who wish to enjoy independent living with international friends.

- Large 13-bedroom residence with Wi-Fi access.
- Located 15 minutes' walking distance from city centre.
- En-suite single and twin rooms, shared facilities.
- On-site resident warden.

### Summer Residential self-catering

| University Student Village                      |  |
|---|--|
| Single study rooms, sharing facilities          | £10 meal voucher on arrival included, to be used in the university self-service cafeteria on campus. |
| Single study rooms, en-suite bathroom           |  |
