After each progress test you will have a 1:1 tutorial with your teacher. In this tutorial you will develop your Individual Action Plan, this helps to ensure your English improves as much as possible and you succeed in achieving your goals. After each tutorial, you will receive a progress report from your teacher.

Accommodation Residence

Residential accommodation is a good option if you want to live independently in the city centre. Our Accommodation Team work closely with our residence providers to make sure the information we give you about each residence is clear and your accommodation is comfortable, well managed and secure.

If you choose to live in residence you will have a single room with a private bathroom. All rooms have a bed, shelves, a desk, a wardrobe and free Wi-Fi. All of our residences are self-catering with their own laundry facilities.

In a flat you will share a kitchen and lounge area with other international students. Residences are great for meeting new people and practising your English with people from different countries.

Our students usually stay in Deen House or The Arch. If these are fully booked, we have other residence options of equal standard available.

*The residences we offer are owned and managed by external companies. Both companies work closely with the school and regular feedback from our students is passed on to the companies in order to improve your experience. However, the school does not manage the residences.

Accommodation Homestay

Many of our students choose to stay in homestay accommodation. We have welcoming, friendly and helpful hosts who enjoy sharing their homes with international students.

Our Accommodation Team have been working with local hosts for many years. They always do their best to match you with a host that suits your needs. If you are thinking about living in homestay, it is important to book early and tell us about your preferences, especially if you have any concerns about diet, smoking, children or pets.

We have many different kinds of hosts working with us including families with children, older couples and single people from a variety of different backgrounds.

All of our hosts live approximately 20 - 40 minutes away from the school on public transport. A weekly bus or train pass will cost no more than £20.*

What to expect:

- Your host will be welcoming, friendly and happy to talk to you
- You will have your own room, unless you tell us that you would like to share a room with a friend
- Your room will be safe, clean, comfortable and in a good state of repair
- You will always have access to a bathroom and washing facilities
- You will be provided with healthy, balanced meals
- You will not be placed with another student who speaks your language, unless you tell us that that you would like to stay with a friend from your country
- There will be no more than four students in your homestay
- If you are unhappy with your homestay for any reason you will be moved as soon as possible
- An emergency line is manned 24 hours a day by LSE staff

Welfare

It is our first priority to ensure our students and are safe, happy and comfortable while with us at Liverpool School of English. Our teachers and staff are welcoming, caring and friendly. We will always help you with any questions or problems you may have.

You will meet our Academic Team and our Accommodation and Welfare Team on your first day at school. Our Academic Team will ensure your learning needs are met throughout your course. Our Accommodation and Welfare Team will ensure your emotional, medical and environmental needs are also met. They provide support and guidance throughout your time here in Liverpool.

Students aged under 18 have compulsory weekly meetings with a member of staff from our Welfare Team to make sure they are safe, happy and well. If you are over 18 and want to discuss any type of problem, a member of our Welfare Team is always available for you to speak to during school opening hours. In addition to our Welfare Team we have a Student Helpdesk Coordinator and a Social Programme Coordinator who are here to help with any questions you have. All students have our 24 emergency number in case they need to contact us about a problem outside of school hours.

Our school and accommodation rules are very clear and carefully designed to ensure the safety and comfort of all students. On your first day at school, we will give you an accommodation contract. This clearly details the rules at your homestay or residence. We will also give you a student handbook. This includes our code of conduct which details the school rules so you know what behaviour we expect from you during and outside of school hours. If the code of conduct is not followed you may be asked to leave the school.

Your first day induction and student handbook provide you with lots of useful information about our school and life in Liverpool. This includes what to do if you are ill and how to register with a doctor, open a bank account and register with the police if you need to.

Attendance

We expect you to attend all of your classes and any absences for sickness or appointments must be authorised. Your attendance and punctuality will be monitored by our staff and your final attendance percentage will be marked on your certificate. If you are a sponsored student you will need to have 80% attendance or above or your embassy may not continue to sponsor you.

We want to make sure that everyone feels safe and happy at the school. If you are absent for 2 consecutive days, we will contact you to make sure that you are okay and see if you need to have a meeting with a member of our Welfare Team.

Social Programme
