## OUTSIDE THE CLASSROOM

Learning English in London, with English all around you, has huge benefits for your progress. Your teachers will encourage you to use the world outside the classroom as a rich learning resource.

Our social programme allows you to practise your English out of class, while making friends and enjoying your time in London.

## YOUR INDIVIDUAL PROGRESS

Each student has individual needs and goals and at Malvern House we will work with you to make sure you get the most out of your course. This starts with pre-course learning advice and careful placement in a class of the right level. You will also receive a unique Malvern House Progress Diary, full of useful information, where you can set goals and record your progress with your teacher's help during individual progress tutorials.

There are weekly and monthly progress tests (in class and online) to consolidate learning and you have online access to your progress reports.

### Benefits to you:

- Guidance from your teacher which ensures a focused course which meets your learning needs
- Develop your strengths and work on areas that need improvement
- See your progress at a glance in your Progress Diary

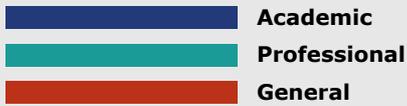

## IN THE CLASSROOM

Our experienced and qualified teachers provide a dynamic, innovative programme, enhanced by the latest digital learning technology. All classrooms are fully-equipped with interactive whiteboards, giving instant access to up-to-the-minute multimedia materials to enrich your lessons.

# ENGLISH PLUS

25  
lessons  
per week

30  
lessons  
per week

Our flexible style of learning allows you to modify your course before or after you have arrived. With the help of your teacher we identify your learning needs, giving you the opportunity to supplement your course with a variety of options, so that you can achieve your language goals.

## MODULE OPTIONS INCLUDE:

### CONVERSATION

Improve your conversational English by practising speaking, listening, pronunciation and vocabulary. You will become more fluent and confident when speaking English.

### FASHION\*

This interactive course makes excellent use of London as an international fashion centre so that you will have many opportunities to put what you learn into practice. The course includes projects and collaborative work as well as trips to fashion landmarks, shopping outlets and a university fashion department. Course dates include London Fashion Week.

### NURSING\*

This course is ideal for anyone interested in – or already working in – the healthcare sector. This communicative and vocabulary-rich course will improve your language skills, boost both your confidence and your CV and make it easier for you to communicate with your patients and colleagues. You'll also prepare for the IELTS exam to ensure that you are ready to find the job you want.

### BRITISH CULTURE\*

Discover contemporary and traditional culture - the music scene, the monarchy, sport etc. Improve your vocabulary and practise your skills at the same time through interesting texts and discussion.

### MEDIA\*

Explore the fascinating area of the media in its many forms – TV, newspapers, magazines, radio, etc. and develop your language skills at the same time. This module highlights commonly-used language which you can practise in a media context e.g. doing interviews, writing articles and much more.

### TRAVEL & TOURISM\*

This course develops the English language and communication skills necessary for work in the travel, tourism and hospitality industries. Improve your vocabulary skills through discussion and real life role-play.

### BENEFITS TO YOU

- Gain a professional skills certificate improving your employability
- Learn expertise in new areas such as IT, accountancy or business
- Study qualifications allowing you to apply for an SIA licence
- Learn in a modern teaching environment
- Central London location ideal for those working anywhere in the city

Please visit our website, [www.malvernhouse.com](http://www.malvernhouse.com), for pricing and start dates.

### DIGITAL DESIGN & DEVELOPMENT

We offer a range of design and development programmes giving you the chance to create mobile applications on Android or iOS, launch WordPress websites or perfect your Adobe Photoshop Skills. Learn the basic skills you need to start off in these areas and use our state-of-the-art computer lab to hone your skills in each area. Using the 3D Hive platform you can also create your own computer games for learning in conjunction with the mobile apps you have designed.

### MICROSOFT TRAINING

New to IT or not confident in using Excell? Start by learning the fundamentals of technology. We will give you the expertise you need in the Microsoft programme of your choice. Whether you need to improve your use of Word, brush up on our Excel knowledge, or learn how to use powerpoint to your advantage, when you study with us you can be confident that what you'll learn will be accurate, complete, and up to date.

### BUSINESS

Marketing has changed a huge amount over the past decade and how to communicate with customers across the internet is now key for any company's marketing strategy. Our programmes are designed to help you gain knowledge of basic marketing skills and look at how they can be applied in the digital arena. Whether you are looking to build a brand identity online, research your market, reach new customers, or learn how to project manage implementing a new digital marketing plan – we have a course that will suit you.

### ACCOUNTING & FINANCE

Wherever you go, you are bound to see them. On addresses, license plates, phones, prices, and of course, money! Numbers connect us all to each other in many more ways than we might imagine. Essentially, our world revolves around numbers. Some of us enjoy dealing with numbers while others may have a fear of them, or even a phobia. At Malvern House London, you will learn how to minimise the costs and maximise the profits, keep track of the company's finances, such as payroll, business expenses, returns, submitting tax returns, auditing and completing government forms.

### LIFE SKILLS

Diversification on your CV is a great way to stand out and our short courses help you do just that! Whether you want to train in First Aid, or try your hand at Barista Skills & Latte Art, our life skills programmes give you the chance to stand out from the crowd with these extra certificates.

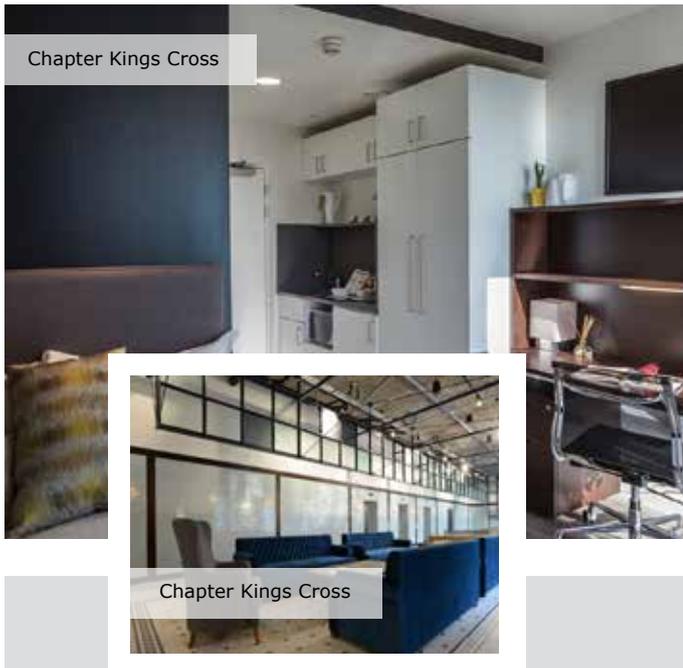

Those looking to gain an SIA licence can take one of the qualifications on offer at Malvern House with our professional training partners.
