Benefits of studying at Rose of York

Passionate about teaching

Qualified and dedicated teachers and staff who offer individual and friendly support throughout your course

Extensive list of courses

A wide range of quality courses and accommodation to suit all your needs

Culture on your doorstep

A great city centre location in the heart of London with fantastic facilities

Engaging activities

A variety of fun social activities for you to meet other students, explore London and learn about British culture

Worldwide networking

A fantastic mix of nationalities that will allow you to make friends from all over the world.

I have been studying in Rose of York for almost one year and I really enjoyed this time. I like the quality of education, professionalism of the teachers, members of staff and of course the interesting and enjoyable social events. I have learnt a lot and really improved my English and have become more confident with my English. I would, of course, recommend this school to my friends and peers.

Courses

General English

I have attended at Rose of York for over 3 weeks. Our teacher is fantastic – he can teach English in a funny way and this is great! I learned a lot about English grammar and vocabulary.

Benedetta,
Italy

Teaching you to improve your skills, develop your language and learn how to communicate effectively and well in all areas of English life

General English is the perfect course for students who wish to improve their ability to communicate with people over a wide range of topics and everyday situations.

Delivering all aspects of language

The experienced and dedicated teachers at Rose of York design lessons with students' individual needs in mind and focus on delivering all aspects of language including vocabulary, grammar, pronunciation, speaking, writing, reading and listening.

Regular assessments

Students' development is assessed by teachers through regular 5-weekly mid- and end-of-course tests that also allow you to measure your own progress and development.

The results of the end-of-course tests assess students' capabilities and may offer you the possibility of advancing to the next class level every 10 weeks.

The course aims to

- maximise learning through enjoyable communication tasks
- study all the skills necessary for everyday use of English by practising them in a classroom with students from all around the world
- focus on making good progress on students' own personal goals, improving communication skills and, therefore, increasing confidence in using English.

Booster Classes

Offering you the opportunity to enhance your studies by including Booster classes in your course of study to complement and accelerate your learning

If you are foreign and you want to feel comfortable in London, studying here is the best way to learn and to meet new friends.

Davide, Italy

These classes are designed to supplement your study and increase your learning potential by focussing on key areas of identified development. The Booster classes are personalised and very useful.

You can choose your Booster classes and prioritise them based on the needs identified by you and your teacher. Therefore, if you feel that your pronunciation is a weakness, you can add a **Pronunciation Booster** to your **Standard** course to help you improve in this area.

Course combination options

If you are studying a **Standard** course, you might want to add a **Booster** class or two to your core course.

Booster Classes

Our Booster classes are offered every day and you can choose one or two Booster classes to help you succeed in achieving your goal and meeting your needs quickly and effectively.

Standard Course + Writing Skills

We have designed this class to help you improve your writing skills for work, for your personal life and to prepare you for academic life. You will be introduced to different writing techniques, styles and how to write for a variety of purposes and audiences.

Focussing on paragraph structure, essay development and punctuation strategies, you will be able to improve and write a coherent and cohesive text.

This **Booster** class complements your **Standard** course and provides you with the opportunity to develop confidence, competence, and fluency in your writing.

Booster Class

Standard Course + Exam Skills

If you are planning to take an English exam, proficiency test or whether you have planned to take your IELTS, this class is for you. Our teachers will help you improve your reading, listening, speaking and writing skills, develop your exam techniques and, as an addition to your **Standard** course, this **Booster** will allow you to perform better on the day of your exam.

Booster Class

Standard Course + Business Proficiency

The **Business Proficiency Booster** is aimed at improving your Business skills and targets key areas of business that you will need in order to perform better at work.

We will be focussing on meeting and negotiation skills, presentation skills, telephone skills and writing for specific purposes (emails, memos, reports, to name but a few). As an addition to your **Standard** course, the **Business Proficiency Booster** will better equip you to achieve your business goals and further your career.

Booster Class

Standard Course + Pronunciation

Do you want to speak more accurately and confidently in English? Are you struggling to make yourself understood? Do you want to soften your accent and sound more like a native English speaker?

Then why not join our **Pronunciation Booster** where our expert teachers will help you focus on your errors, correct your speech, improve your accent, clarity and intonation through pair work and group activities on a range of topics.

Booster Class

I really like the ambience and the fact that students come from so many different countries. The teachers really seem to enjoy doing their job. I've learned so much about British culture and grammar too.

Loic,
France

Business English

Giving you the skills to perform successfully in any business environment by learning the language of commerce in a variety of interactive tasks

This course focusses on developing the language skills and functions necessary to perform successfully in a variety of key business contexts and situations.

Students will work with other like-minded learners who are enthusiastic about Business English and you will be able to learn from one another as well as studying the necessary English.

Course combination options

To supplement your learning and develop your core business skills, why don't you combine your Business English course with a Business Proficiency Booster class?

Rose of York is in a great location as it is so near from Oxford Street, the tube station and the BBC.

George,
Japan

The course aims to

- develop students' language skills to perform effectively in any business arena
- focus on vocabulary and functions related to particular business subjects such as telephone English, giving presentations and writing formal emails
- improve Business English acumen and knowledge based on needs analyses and specialised requirements.

Our Business course uses realistic role-plays to teach the language used in business environments and enhances the importance of cultural awareness

Accommodation Options

Choosing the right place to live is as important as choosing the right course to study!

We recognise that choosing the right place to live can be as important as choosing the right course to study. For this reason, we are able to offer a range of possibilities to suit every budget and requirement. All our accommodation is personally inspected by our Accommodation Officer to ensure that it meets the Rose of York standards.

Choosing your accommodation

Homestays offer you the comfort of living in a family home as well as an opportunity to practise your English outside the classroom. On the other hand, residences will suit students who prefer self-catering and more independence.

Rose of York is the perfect place to feel comfortable in London and share all the new experiences in this huge and beautiful city. My host family are incredibly accommodating to my needs and are so friendly.

Ayumi,
Japan

Services

Homestay

All our homestays are chosen for their commitment to ensuring that the student feels at home. They are kind and caring and some of them have been hosting Rose of York students for many years. This means that we know them well and we trust them to look after our students.

All Rose of York homestays

- help students to feel at home and treat them as a member of the family
- encourage students to speak English as much as possible
- provide a clean and comfortable room and a suitable environment for studying
- offer students a healthy and balanced diet.

At Rose of York we do not place students of the same nationality in the same homestay (unless requested by the students).

Providing you with the personal touch by living in a comfortable home. Our homestays are personally inspected by us and add a little something extra to your time in London

My homestay family are so welcoming and recently took me to my first English rugby match which I thoroughly enjoyed! I definitely feel at home here.

Student Welfare Support

Student welfare is a priority at Rose of York. We are always on hand to help with any issue, large or small, academic or personal.

Rose of York's administration and designated welfare staff have been specially trained and are always available to assist students. We will give students all the help, support and advice they need about studying and living in London.

We take the time to get to know our students and take good care of them

Putting your needs first

Whatever students need, they will always find a cheery face available to offer practical help or answer any of your questions.

We want to ensure that students have an enjoyable, stress-free stay and are able to focus on the main reason for their visit – improving their English!

I always recommend Rose of York to other students because of its attractive price and the high quality of the lessons.

How we can help you

Visa Information

Rose of York's team will guide you through your visa application process and provide the necessary documents.

Airport transfer

Rose of York can arrange airport transfers, both for individual students and groups, with a reliable and safe provider.

University Placement Service

Get professional advice and guidance to help secure a place at a UK university.

Trinity GESE Exam Centre

Rose of York is a Trinity-registered centre and can arrange for groups of students to take the GESE exam on our premises.

Our Social Activities

The perfect way for students to socialise and practise their English!

I like the quality of education and professionalism of the teachers and social events.

Raquel, China

Rose of York organises social activities such as visits to museums, sightseeing tours, parties, quiz nights and much more.

Making friends through language

A social events organiser, usually a teacher, always accompanies the students and takes pride in ensuring that everyone is involved and having a good time. This is one of the best ways to practise your English while having fun at the same time. At Rose of York, students will form firm friendships, many of which will continue long after they leave the school.

I am naturally shy but I have really benefitted from being at Rose of York. I love going on organised social events with people on my course, such as enjoying picnics in Regent's Park, parties and boat trips!
