Student Success Stories

We're here to help you achieve great things...

"English is essential to learning web development, I'm using it every day (mostly reading or writing). Besides, it helped me to find a great internship abroad at Nintendo of Europe in Germany last year."

Jacques, France, BSC London

Current job: Web Analyst, Direct Energie, Paris

Alex, Spain, BSC Dublin

"I like the school because the teachers are very friendly. It's only my fourth day and already I feel like I am at home."

"I am really grateful to the teachers for their patience and friendliness. Thank you for everything! It was such a wonderful experience for me!"

Elodie, France, BSC Brighton

"In Finance, speaking English is a precondition to be employed, and being trained by professionals definitely is a big difference to the typical school English you get taught at home. Not only did this help me to improve my English in general, but it also allowed me to experience the culture and lifestyle in London which cannot be taught in a classroom environment.

If you are committed and open for something new, I can only recommend BSC. You will study alongside highly motivated and inspiring individuals who come from all across the globe and this will certainly be an experience of a lifetime for you."

Stefan, Austria, BSC London

Current job: Analytics and Sales, Bloomberg, London

"I enrolled on a G25 four-week course in September 2013. Little did I know that four years, an internship, an officer position and a Teacher Training course later I would become a teacher at that same school.

I am not going to list all the reasons why teaching is the best job in the world, and why doing it at BSC makes it even more special. I will, however, say that I wake up every morning with a smile on my face, knowing that I am going to do something that has made me the happiest over the past 5 years

We are not just teaching English, we are giving students an essential tool for the rest of their lives; we are giving them knowledge. And as BSC has changed my life, I'm happy to think that it has changed and will change the lives of many others in many other ways."

Priscilla, Italy, BSC Oxford

Current job: English Language Teacher

”

Raquel, Spain, BSC Dublin

"I think that BSC is a really good school because the dynamic of the lesson is really good. I also like the social activities in the school because you can go on a different trip everyday."

"A great school with very friendly and helpful teachers. I met some very nice people and had a fantastic time here in Edinburgh."

Lisa, Switzerland, BSC Edinburgh

”

"I think that this experience is one of the best of my life. I've met a lot of people from around the world and really improved my English."
