**WE HAVE WELCOMED
STUDENTS FROM**

10 good reasons to join the St Clare's family

- 65+ years of experience:** a vibrant Oxford institution that blends tradition with innovation
- Educational charity:** we invest any profits in our students, our programmes, our staff and our facilities
- Elegant location:** 27 buildings in a quiet suburb in the world-famous university city of Oxford
- Academic excellence:** consistently positive feedback from students, parents, agents and inspection reports
- Innovative methods:** interactive lessons take learning beyond the classroom and focus on topical themes each week
- Academic progression:** challenging courses at a variety of levels that combine language support and academic study according to your needs
- International environment:** over 40 different nationalities each year create an amazing cosmopolitan atmosphere, with excellent opportunities for networking
- Activities and excursions:** a weekly programme, organised in-house, enriches your experience of living in the UK and helps you make new friends
- Personal support:** our committed team is available for all your needs – academic, career, welfare, medical etc
- St Clare's family:** trusted by generations of students who recommend us to their friends and family year after year

Welcome to the St Clare's family!

College Life

Our mission: to advance international education and understanding

Make memories for life

Access a range of resources in our library

Attend free talks, lectures and seminars in Oxford

St Clare's International College is located in elegant North Oxford with well-equipped classrooms, a Study Zone, dining and common rooms and student accommodation.

We welcome students from over 40 different countries each year. As a small independent college, we get to know you well and strive to meet your individual needs.

You can be sure of a first-class educational experience at St Clare's.

STUDY RESOURCES

Study Zone: a quiet space to work independently with access to newspapers and online educational resources including e-books and academic journals

Library: four floors with study rooms, a computer suite, as well as an extensive range of academic books and online resources

Art Studio: modern art studio with state of the art facilities for traditional techniques like drawing, painting and printmaking, as well as new media like photography, animation, digital and video art

Open Learning Club: develop your language and exam skills after lessons with a teacher to guide you

St Clare's Seminar Series: experience university-style lectures with expert guest speakers on intellectually-engaging topics

Meet new friends and socialise after class

Accommodation

You can choose between college residences for over 18s, boarding accommodation for under 18s and homestay accommodation - according to availability. Our accommodation options include free wifi and 24 hour support.

COLLEGE RESIDENCE

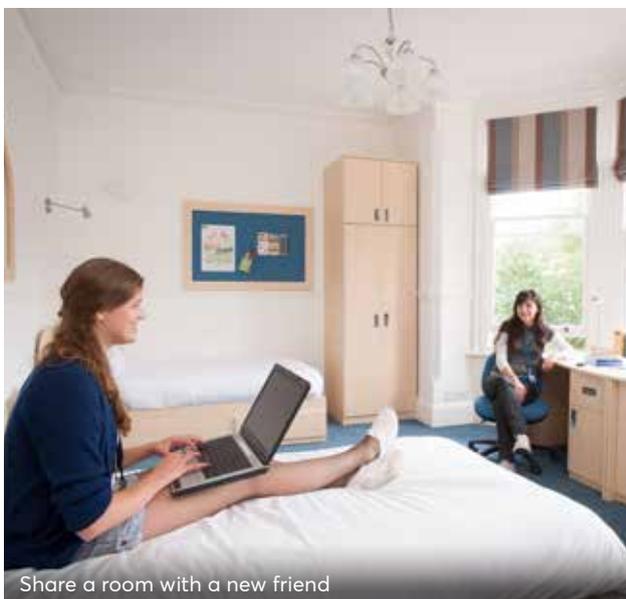

Living in one of our comfortable college residences you:

- have a choice of twin or single room with shared or in-flat bathroom
- mix with other international students
- learn to become more independent
- develop new friendships
- find out more about different cultures in a shared living environment

HOMESTAY

Living with one of our welcoming English-speaking homestay providers you:

- have a choice of single room with shared or private bathroom
- immerse yourself in British life and culture
- benefit from support to settle into life in Oxford
- enjoy breakfast and evening meal every day
- practise your English with native speakers

Share a room with a new friend

Relax in a safe and welcoming home

Student welfare and support

We work hard to provide a safe, nurturing and engaging environment to stimulate learning and encourage you to succeed. Our excellent staff-to-student ratio provides dedicated support throughout your studies.

Students' welfare, including health and safety is excellent.
 ISI PFE Report 2019

Lunch in the college dining room is provided Monday to Friday. Meet your friends and enjoy a meal together

ff

The staff were really good at integrating us all together and making us feel like we belong here.
Emily from USA

Activities and excursions

Study visits, activities and excursions enrich your learning experience

- Join the activities programme each week, created by our in-house Coordinator
- Settle into your new home in Oxford with our orientation tour of the city, bus stops, local facilities etc
- See the cultural sights including London, Bath, Stratford, Warwick, Stonehenge – all just over an hour away
- Let us know what interests you most and we'll do our best to include it in the varied programme
- Visit the Activity Hub for advice and support to help you make the most of your time in Oxford and the UK
- Plan ahead and join the weekend excursions to Liverpool, Dublin, Cornwall or the New Forest
- Build a link between the classroom and the real world through Study Visits – recent examples include the law courts, the Ashmolean Museum and a local business

Discover Oxford's shops, university colleges and clubs

Visit Warwick Castle

Punting on the River Thames

“
What I enjoyed most about studying is the opportunity to do the activities in the afternoon with the new students that you meet here.
Augusto from Italy

Visit Bicester Village - the famous designer outlet

“ The variety and accessibility of all these activities was fantastic. Hands down my favourite part of the programme. So many amazing opportunities made easy!
Josselyn from USA ”

Learn about UK culture at Blenheim Palace

Harry Potter inspired Study Visits and excursions to Christ Church and Harry Potter and World

Learn new skills

Make memories at Stonehenge

Play team sports in University parks

Have fun at the college in your free time

Travel to a typical seaside town on the south coast

Discover Bath with the beautiful Georgian buildings and Roman Baths

Look out for the Theme of the Week
 Environmental Issues, Art and Architecture, Technology and Innovation and many more

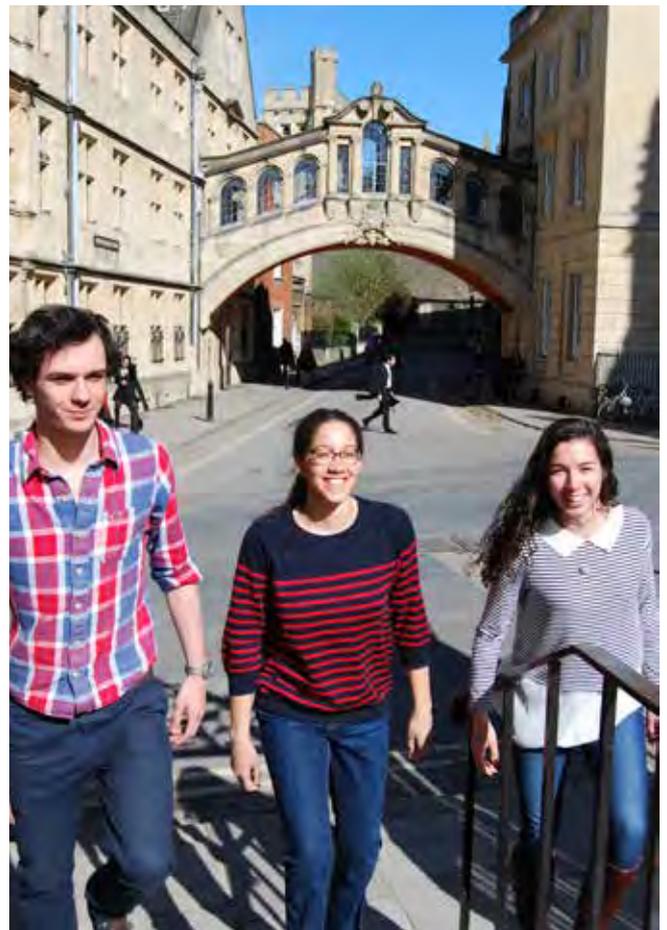

English Language

Why choose these programmes

- **Different focus:** language learning for career, life or an examination
- **Small class size:** improve your English language skills as an individual in a group of no more than 12
- **Interactive learning:** develop your language competence through structured, communicative activities with classmates
- **Quality teaching:** maximise your learning potential with experienced, supportive teachers
- **Weekly Themes:** consolidate and build your language and your knowledge of the world through culturally, politically and historically interesting topics
- **Study Visits:** take your language learning outside the classroom to local places of interest with your group
- **Academic Tutorials:** review your learning with your **Personal Tutor**, develop new strategies and prepare for your future goals
- **Open Learning Club:** develop your language and exam skills after lessons with a teacher to guide you

| • Art History | • Business | • Communications |
| • Economics | • History | • English Literature |
| • Film Studies | • International Relations | • Philosophy |
| • Photography | • Drawing | • Painting |
| • Politics | • Psychology | • Marketing |
| • Maths | • Religion | • Sociology |

Languages: French, Italian, Chinese, Japanese, Spanish and more

Special subject tutorials: these are designed to meet your individual needs and interests

Specialist courses

Leadership Course

Prepare for the challenges of 21st century leadership

English level	B2 to C1 (intermediate to advanced)
Class size (max)	12
Lessons (hours)	21 (19.25) per week
Length	2 weeks
Start dates	July and August

- Discover the attributes of leadership through case-studies, research topics and debates
- Learn vital leadership skills including critical thinking, strong communication and public speaking confidence
- Develop lasting relationships with members of the international community

English and Culture

Explore Oxford's contribution to modern culture

English level	B2 to C2 (upper intermediate to very advanced)
Class size (max)	12
Lessons (hours)	25 (23) per week
Length	2 weeks
Start dates	June, July and August

- Combine academic study with site visits to film sets and literary locations around Oxford
- Examine Oxford's contribution to science, business, politics, literature, academic research and ideas
- Learn what makes Oxford a global city through individual research and group projects

Teacher Training

Improve your teaching skills in the university city of Oxford

Content	Each course is tailored to your needs
Class size (max)	Minimum of 9 for a closed group
Lessons (hours)	21 (19.25) per week for 1, 2, 3, or 4 weeks
Start dates	Flexible

- Professional development for international teachers who teach English or academic subjects in English
- Improve your English language and teaching skills through language development, teaching methodology, conversational tips and insights into cultural awareness
- Learn through doing; put theory into practice through practical teaching strategies and classroom management techniques

PROFESSIONAL DEVELOPMENT

We are open throughout the year and specialise in short and tailor-made courses for closed groups.

- Designed for you, planned together. Our specialist courses explore the topics you would like to cover and support your desired outcomes
- Benefit from an interactive learning environment
- Link the classroom with the city of Oxford through Study Visits and Guest Speaker events
- Immerse yourself in British cultural life in the city of Oxford

Ask about creating your own specialist/tailor-made short course. Past examples include:

- English for Aviation
- English with Banking and Finance
- English plus Leadership

Your career development journey

University success, career progression and personal development

Careers support is embedded into the learning experience.

Benefit from advice on university choices, higher education applications, apprenticeships, entry to professional careers, internships and gap year schemes.

- **personalised support:** through 1-to-1 meetings and group sessions which help you explore future education and career options
- **learn professional skills** for the competitive jobs market: including CV writing, presentation and interview skills

We promote personal growth through experiential learning and self-reflection

HIGHER EDUCATION FAIR

Talk to over 40 UK institutions and more than 25 international universities as well as gap year providers at our annual HE fair.
