for students****

1

We are in the top 1% of UK language schools, judged by the latest British Council inspection results and reported in the EL Gazette 2018.

2

More than 80% of our teachers are also teacher trainers. Our teaching experts speak at the world-famous teaching event IATEFL and we host our own annual teaching conference. Many of our teachers are published authors.

3

We are ranked as the best value language school in London by the industry publication the EL Gazette*.

4

Our founder, John Haycraft, pioneered the first teacher training qualification, now known as the CELTA and run by the University of Cambridge. Worldwide, the CELTA is still the industry standard for teachers.

5

We are one of the largest IELTS test centres in Europe and an accredited centre for Cambridge exams, BULATS for business English and OET for medical English. Other schools send their students to us to sit their exams.

6

Our school is in the sought after location of Covent Garden in London and is home to some of the best teachers in the industry. Everything London has to offer can be reached from our front door.

CENTRAL LONDON

LOCATION

Everything London has to offer can be easily reached from our school in Covent Garden.

COVENT GARDEN

AND BEYOND

We are based in the beautiful Covent Garden in central London, famous for its shops, cafes, restaurants and West End theatres.

Within a short walking distance you will also find the Royal Opera House (home to the Royal Ballet, as well as the Royal Opera), the British Museum (voted one of the top ten museums in the world by National Geographic) and The National Gallery (the story of European art, masterpiece by masterpiece).

As the writer Samuel Johnson said: when you are tired of London, you are tired of life. You will never find yourself short of things to do in this cultural capital.

Thousands of unique restaurants, trendy rooftop bars, concerts across the city, and free national museums and galleries, make you feel part of big city life every single day of the year.

There are several tube stops within a 5-minute walk of our school, and we are only one tube stop away from King's Cross for an easy first arrival in the UK.

ACCOMMODATION

Your home while you study with us is important. You can practise your English with the people you live with and explore the great city of London.

We have a range of accommodation options to suit you, including homestay with a host, one of our modern student residences, a boutique-style guest house, or even a hotel if you prefer.

IH London is in Zone One, in central London, close to Covent Garden, Holborn and Tottenham Court Road underground (Tube) lines.

Zones One & Two

In Zones One and Two, we have a selection of student residences and hotel options. It means you can walk to the school, or take a short bus or underground ride. The cost of accommodation in the central area is higher than other parts of London.

Zone Three

Zone Three is where most commuters who work in central London live. It offers a quieter area to live in, but it is still easy to get to and from the city centre. We offer homestay with a host in this area.

Zone Four

This is the farthest Zone in which we have accommodation. We occasionally place students in homestay in this area. It takes about 40–50 minutes to commute from this Zone. In this area, people often live in houses and not apartments, have gardens and live near parks. The Tube and buses operate in this area throughout the day and night.

“

My host was outstanding. All the conversations we had were just great and his cooking... excellent. It was such a pleasure, I'm sure I'll be back again.

London and beyond

London is a spectacular place on its own and it also has fast connections to everywhere else in the UK. The seaside town of Brighton and historic Cambridge and Oxford are all only an hour away by train. London's location and excellent travel links (not to mention the relatively small size of the UK) mean you can visit many famous destinations during your stay. An organised trip is the perfect way to make new friends too.

We have a dedicated social programmes team who put together a monthly timetable of activities and day trips that you can sign up to, with many free of charge.

Did you know most national museums and art galleries in the UK are free, and only ask for an optional donation?

London is also the greenest city in Europe*. There are eight royal parks in the city, and many more green spaces to be found. All are free to enjoy. Walk or cycle, sit down with a book or have a picnic with friends – live like a local.

Thousands of unique restaurants, trendy rooftop bars, concerts across the city, West End theatre shows, independent shops and markets, make you feel part of big city life every single day of the year.

“One of the best things that I like about the school is the teachers. They are all kind and really good at teaching. They really care about students. The building is also very clean and new. I can feel very comfortable when I am at school.
