CHURCHILL HOUSE

Welcome to Churchill House

Churchill House was established in 1971 and has over 45 years of experience teaching English to students from all around the world. During this period, we have built a reputation for delivering quality courses whilst maintaining great value for money.

As a dedicated, independent English language school, we are large enough to be able to offer a wide range of courses and class levels with many different nationalities, yet small enough to provide each student with personal attention and commitment to their achieving their goals.

We are accredited by the British Council and a member of organisations such as EnglishUK, a membership body for quality-driven schools.

As a result of this we can offer you:

- **Excellence in learning** - Experienced, professional teachers supported by a well-qualified academic team.
- **Excellence in accommodation** - Long standing relationships with our host families, who are all personally known to us.
- **Excellence in Leisure** - Comprehensive programmes of activities and excursions allowing students to make the most of their free time.

Our Goal

We want to help you achieve your personal and professional targets by offering you a range of courses designed to improve your communication skills. We know that helping people communicate more effectively leads to greater personal and business success in the future. We think that Churchill House is the perfect school to make that happen!

What makes us different?

- Over the last 46 years we have helped many thousands of students from all over the world achieve their language targets. We are extremely proud of having played a role in their future success.
- We work with you from the time of booking until your course is complete to ensure you reach your goals. We assess your English ability and learning needs, place you in a class to suit those needs and then monitor your progress throughout the course.
- We have a dedicated Social Club which has many years experience in organising leisure activities to make your time here in England rewarding and enjoyable. In addition to one day and multi-day trips to many famous places, our Social Club organises a range of weekly social events in our Clubroom to help you practise your English and make life-long friendships.
- We guarantee value for money in all areas; with reasonable prices for accommodation, lessons, plus significant discounts the longer you stay with us.
- We are constantly improving our teaching resources and responding to the changing demands of our students.
- We are an independent school, not part of a chain and offer a friendly individual service with experienced professionalism.

Churchill House is accredited by the British Council and a member of the Education UK Partnership.

Why Ramsgate?

Ramsgate experiences some of the warmest weather with one of the highest sunshine records in the UK and nearly the lowest rainfall.

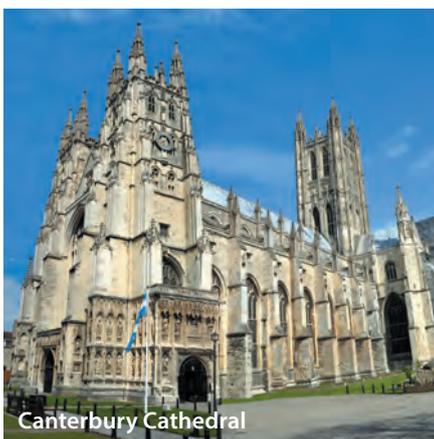

"I love this school. I'm making very fast progress learning English which I need for my Masters Degree. Churchill House has given me the confidence and encouragement to improve. I enjoy Ramsgate as it's a small town with a holiday atmosphere and I will miss the peace and quiet. I've made lots of friends from all over the world but best of all is the friendship with my host family. They have made me very welcome in their home and helped me understand the culture here."

Churchill House in Ramsgate

Average over five years questionnaires

Ramsgate is located on the South East Coast of England, in the county of Kent known as 'the Garden of England'

This picturesque seaside town is most famous for the Royal Harbour and golden sandy beaches. It has a rich history dating back to the pre-Roman times and used to be an important port town. There are plenty of places to sit, relax and study around the yachting marina, which is lined with cafés, modern bars and restaurants. Ramsgate has great transport links to the surrounding areas. Should you want to experience city life, Canterbury is just 30 minutes away by train or car and offers a great deal of history, culture and things to see and do. London is only 76 minutes

away by train so you can easily see the famous landmarks, walk around the museums and enjoy all that London has to offer. Ramsgate is also perfectly located to explore England and the rest of Europe. With a quick trip to Ashford or Dover (35 minutes away) you can easily travel to the rest of Europe by Eurotunnel or ferry. Ramsgate provides the ideal location for students to study in a relaxed and safe environment with little distractions, allowing you to make the most of your experience in England.

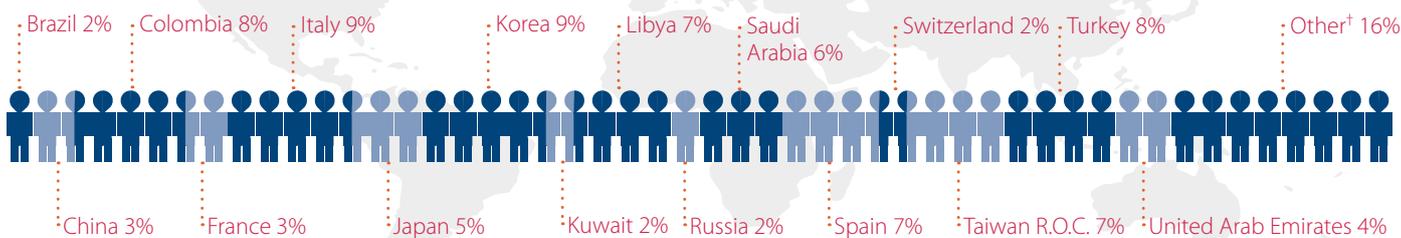

Churchill House School

Our school is in one of Ramsgate's fine old Regency quarters. We have 3 separate buildings all 10 minutes' walk from the town centre and beach. Our head offices are in an attractive 19th century square with beautiful architecture, a lovely garden, tennis courts and sea views. Across the square are the two main classroom buildings, the Executive Centre and the Paragon building, sketched by Van Gogh who lived nearby. In addition to its many classrooms, the Paragon also

includes the Rosetta Stone room where students practise their English using self-study software. Below the classrooms is The Churchill Tavern, our very own pub and restaurant popular with both local people and our students. The Paragon building also houses our Clubroom where students come in the evenings to enjoy quiz nights, talks, discos – the perfect place to meet up with your new friends.

Nationality Mix

At Churchill House we aim to have a varied nationality mix throughout the year to try and ensure we keep our truly multi-national character.

* Note that these figures may vary at different times of the year and for different courses.

† Other includes students from: Albania, Algeria, Angola, Argentina, Armenia, Austria, Bahrain, Belarus, Belgium, Bulgaria, Canada, Chile, Congo, Cyprus, Czech Republic, Ecuador, Egypt, Georgia, Germany, Hong Kong, Hungary, Jordan, Kazakhstan, Latvia, Lithuania, Malaysia, Mali, Mexico, Morocco, Netherlands, Oman, Palestine, Peru, Poland, Portugal, Qatar, Romania, Senegal, Slovakia, Slovenia, Sri Lanka, Sudan, Thailand, Tunisia, Ukraine, Venezuela, Vietnam & Yemen.

"I never thought I would adapt to Ramsgate so well. I feel as if I've been living here for years that I feel like a native not a student. Ramsgate makes you feel like a resident in such a short period of time like 2 months."

All our teachers are chosen on the basis of their qualifications, experience and motivation to ensure that students make the best progress possible while they are here.

"I'm having a fantastic experience learning English at Churchill House. The classes are small, often no more than 10 students per class so teachers have lots of interaction with the students. I'm making rapid progress."

Teaching

'Achieving your learning targets'

Average over five years questionnaires

97%

of our students are happy
with their teaching
programme

To help you move successfully towards your targets we aim to teach you as much useful English as possible in an enjoyable and professional manner. And we will encourage you to develop learning skills that will help you continue learning long after you leave us.

How do we teach?

Teaching is in small groups so students have a more personal learning experience. Our experienced teachers can spend more time with each student working on their skills and building their confidence. Lessons are communicative so students are encouraged to take an active part in the class whilst following a structured learning programme constantly progressing towards their goals. We use modern teaching methods, carefully chosen course books, authentic materials with multi-

media resources delivered on interactive whiteboards.

Students also have access to facilities such as the computer room with additional independent learning resources (Rosetta Stone software) so can practise as much as they like.

How we help students achieve their goals

We understand how important it is to identify students' learning needs at the start of their course and work with them throughout their stay to ensure that they continually improve towards achieving their personal goals.

To help you achieve your goals at Churchill House, we will:

- Assess your level prior to the course starting through an online test
- Give you a personal interview on arrival to get a better understanding of your skills and needs to choose the best class for your ability
- Provide you with a written schedule of the syllabus you will study in each module
- Continually monitor and advise you on your progress throughout your stay via written progress reports and individual progress tutorials (given by your teacher)
- Suggest additional elective classes to help you with specific areas you need to work on e.g. exam preparation, writing
- Encourage you to join in with other students on our social programme

Courses

To help you select the right course we have specially trained course consultants who are pleased to offer you free and friendly advice.

Choosing your course

Churchill House has a wide range of courses so you are sure to find one that meets your needs.

Our course consultants can discuss course options with you and advise a study path they think is realistic and achievable.

Beginners and all 16/17 year olds must follow a 32 lesson per week intensive course for at least the first month of their course.

Main Courses

Our Main Courses in General English follow a syllabus designed to help students develop fluency and confidence in communicating and improve their skills in speaking, reading, writing and listening. The courses provide a structured and enjoyable way to progress in English and achieve

learning targets. We encourage students to develop their own independent learning skills and we monitor progress through regular assessment and feedback reports. All General English Main Courses are 20 lessons (15 hours) per week with 3 hours of tuition each weekday morning. In addition students are expected to complete at least one hour's homework a day.

Intensive Courses

Intensive Courses are 26 lessons (20 hours) or 32 lessons (25 hours) per week. Students have a General English Main Course for 15 hours a week plus either 5 or 10 hours a week Elective Courses.

Students with 20 hours a week choose 1 elective subject each month (2 afternoons per week) and students taking 25 hours choose 2 elective subjects per month (4 afternoons per week). There are no elective classes on Friday afternoons.

Elective Courses

Afternoon Elective Courses provide a choice for students to either practise a particular skill (e.g. writing, listening, speaking), broaden their knowledge in a specific language or cultural area (e.g. business or academic English), or focus on preparing for exams.

Elective Courses include:

- Additional English

Your teacher gives you a task each week in skill areas such as speaking, fluency, pronunciation, intonation, writing, listening and reading. Successful outcomes with these tasks help us monitor your progress and assess your increase in level.

- **Student study records**

Enable you to keep track of your work for the week and show your level of confidence in each area.

- **Individual tutorials**

- **Your level**

Your teacher discusses progress with the course director and makes recommendations about your level and possible class change. Students may talk to their teacher about moving level at any time.

- **End of course certificate**

In your final class you will receive a Certificate of Achievement from your teacher outlining the details of your entire course, including:

- Course dates and number of hours
- Your final level of English
- Any Electives you studied

Living in an English-speaking environment is the best way to learn and practice English

Whether you want private accommodation or to experience life with a British family we have a wide range of options available. Our friendly and experienced year-round

team will find the accommodation that is best for you and will ensure that you are happy and comfortable in your new home.

Homestay

The most popular option is to live with a host family providing an opportunity to learn more about the British lifestyle and culture, while also practising English in a natural setting.

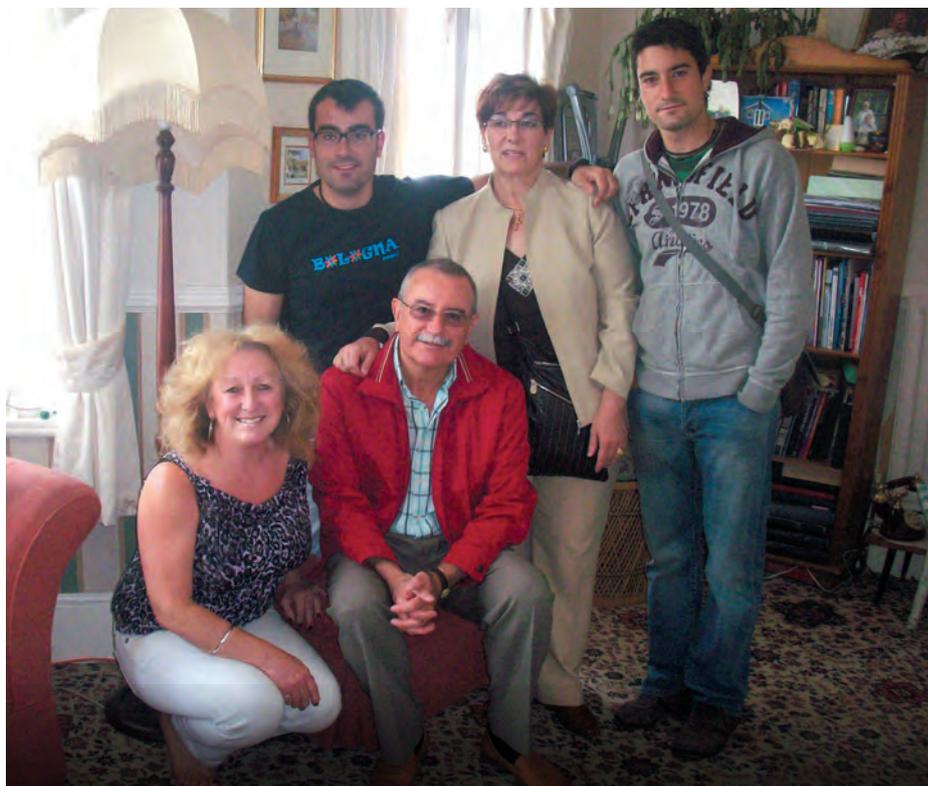

Churchill House has over 46 years experience with Ramsgate families and has over 150 within twenty minutes walk or a short bus ride from the school.

Each household is personally inspected by our Accommodation Managers every year to maintain our high standards of cleanliness, comfort and friendliness. We work with our homestay families all year round so we know them well and they really understand our students' needs. We encourage them to speak English to their students at every opportunity.

Homestay Options:

There are different homestay options:

- Half board (breakfast and dinner provided by your host family Monday-Friday, plus lunch on weekends only)
- Full board (breakfast and dinner provided by your host family, lunches provided at school during the week and by the host family on weekends)
- Single Room
- Shared room, shared with a student of a different nationality

Choosing my Host Family

When you book we ask about your needs.

- have you any dietary requirements or allergies?

It may cost a little more to stay with a family providing a specialised diet.

- a smoking or non-smoking home?
- a home with or without dogs or cats?

Many English homes have pets so if you prefer no pets then this may limit the choice of family.

Most of our families accommodate one or two students, some even welcome up to four students. We have many years experience in matching students to families and have a good record of success. However, if you are not happy with the family for any reason, we will try hard to resolve any issues but if this cannot be done we will quickly transfer you to another family.

Paying the Family

Family costs are included in the fees quoted on your Certificate of Enrolment. So you pay us for your accommodation and we pay your host family.

Other Accommodation Options

We can help find other accommodation in the local area including:

- Hotel (5 minutes from the school)
- Guesthouse (15 minutes from school)
- Bedsits
- House/Flat-shares
- Self-contained Flats

Alternatively you can find your own accommodation and just pay us for lessons but please note you cannot privately book host families currently on our register.

Summer Junior Homestay

As well as adult courses, Churchill House offers award-winning courses for junior students (12-17 years old) which combine the same excellent language teaching with a package of exciting and interesting activities, visits and excursions. Learn English on holiday by the sea!

Classes

Our junior classes focus on helping students to gain confidence while developing their existing knowledge of English. Students are tested before arrival and put into classes with learners of similar ability. There are 15 hours lessons a week, Monday to Friday, with a maximum of 15 students per class. Students are encouraged to develop and practise their English skills to help them communicate more confidently and we often see students make rapid progress during their course. A zig-zag programme runs through the summer so students alternate between morning lessons and activities on a weekly basis.

Homestay accommodation

Homestay accommodation offers a great opportunity to spend time with English people, learn about the English way of

life and practise speaking in an English environment. We have been providing homestay courses for over forty-six years. Most of our families welcome our students all year-round so we have an excellent relationship with them and know them well. Students become part of the family, living and eating meals with them seven days a week and enjoying leisure time with them on Saturday and Sunday evenings. Most of our families are within a 20-minute walk from the school although some older students may be in families a short bus ride away.

Activities and Excursions

Our junior courses include a full programme of activities to encourage students to practice their English while taking part in a wide range of fun events such as discos, competitions, sports and shows. Courses

also include one half-day and one full-day excursion each week, visiting attractions in the local area and the major sights of London and southern England.

Student Welfare

All our courses are run with the safety and welfare of our students in mind. All our homestay accommodation is regularly inspected by our Accommodation Managers to ensure its suitability. All our activities are designed to be safe for junior students and at the end of the evening they are escorted home. Our students have the full support of our welfare team, with 24 hour emergency phone support.

Churchill House also provides junior residential courses in a wide range of locations around the UK. Each campus provides excellent facilities and a safe environment for our students to live and learn in.

Our award winning residential centres welcome students from 10-17 years old and offer a complete English learning experience. Students have 15 hours lessons a week and a full activity programme. Students eat, sleep and learn on campus meeting and making friends with students from many different countries so they practise their English and learn about other cultures.

Classes

Our courses concentrate on improving students' level of fluency and raising confidence in speaking English. Teachers use lively and practical activities to encourage use of existing knowledge and then improve on this. Students are encouraged to practise their English at all times.

Activity Programme

There is a very full and varied afternoon and evening activity programme:

Afternoon sports could include football, basketball, volleyball, badminton, tennis, tag rugby, climbing wall.

Afternoon arts could include drama, music, dance, photography, arts & crafts, media, fashion.

Evening activities could include quizzes, discos, karaoke, cabaret, fashion show, talent evening, BBQ, international night.

Trips

Each week there is one half day trip and one full day trip (normally by coach) to places of interest and attraction.

Student Welfare

The welfare of our students is our prime concern, from the moment they arrive in the UK until they return home. To ensure our students are safe, happy and cared for during their stay we have a ratio of 1 member of staff to every 8 students to provide full and attentive supervision. Each centre has two first-aid trained staff available at all times. There is also a doctor's surgery near each centre. Residential staff are always available to help students 24 hours a day.

How to Book

1
Send us your
enrolment form

The enrolment form can be downloaded from the website or our sales team can email you a copy. Please complete this and send it in as early as possible to avoid disappointment as some courses have limited places and become full quickly.

2
Pay the enrolment
fee and the deposit
payment

Please send your enrolment fee and deposit payment with your enrolment form – until we receive the deposit we cannot reserve a place for you and some courses have limited places available.

3
Confirmation of
enrolment

Once we have received your enrolment form and deposit you will receive a confirmation e-mail with full details about your course and the balance of fees due. The Confirmation of Enrolment can be used to help obtain a visa (should you require one) and you should bring this letter with you when travelling to the UK as it helps at Boarder Control.

4
Pay the balance of
course fees

Please pay the balance of your fees as soon as possible. All fees must be paid in full no later than 21 days before arrival.

5
Plan your journey to
Ramsgate

Gatwick (LGW) and Heathrow (LHR) are the closest airports to Ramsgate. It is possible to take the train or bus to Ramsgate (with connections) from these airports, but it is more convenient and faster to take a taxi. We can arrange airport taxi transfers for you, which is cheaper than taking a taxi from the airport rank. Please ask us for a quote.

Visa Support

If you are from outside the European Union, please check if you need to obtain a visa to study an English Language course in the UK. You can check if you require a visa by visiting:

<https://www.gov.uk/check-uk-visa>

If you require a visa and are planning to study for up to 6 months, you should only require a Short-Term Study Visa (up to 6 months). If you are 18 years old or over and are planning to study for longer than 6 months (up to 11 months), you will require a Short-Term Study Visa (up to 11 months). For more information on applying for a visa, please visit

<https://www.gov.uk/study-visit-visa>

If you are refused a visa we can defer your course until you have successfully reapplied for a visa. However, if you cannot obtain a visa at all, please send us a copy of the official visa refusal letter and we can refund the course fees, minus the enrolment fee.

FAQs

What happens if I don't get my visa?

If your visa is refused it is often because of a technicality and you can re-apply. We can hold your booking until the re-application is complete. If you are still refused a visa please send us a copy of the official refusal letter – we will refund all fees minus the enrolment fee.

Do I have to start my course on a specific day?

Students can join most courses on any Monday as we run courses all year (except for the Christmas holidays).

Do I need to take an English test?

Yes. You can take the placement test online before you come which allows us to put you into class almost as soon as you arrive. One of our experienced course directors will also interview you on arrival to check your spoken English.

What happens on my first day at school?

When you arrive at school you will have an interview with a course director who will ask you about your educational needs, where you have studied before and what you plan to do in the future. This enables us to judge your English level better and place you into a suitable class at the start of the next lesson. Lunch is available in the Clubroom or in the Tavern, but there are also lots of restaurants and cafes in Ramsgate town centre. If you are taking elective lessons, they start at 2pm.

Will I need to buy any books?

Yes. You will be required to buy a book for your course, however if the book is in good condition at the end of your stay you can return the book and get a refund.

What is the best way to get to the school from the airport?

Book a taxi in advance with our Transfer service – it is much cheaper than taking a taxi from the airport rank and they will be able to take you directly to your accommodation.

I want to go to university in Britain. Can you help me get my IELTS grades?

Many of our students aim to take the IELTS exam so we have regular IELTS preparation elective courses and our teachers are very experienced at preparing students for the exam.

How do I book accommodation?

Accommodation is booked on the enrolment form. If you have any preferences (e.g. if you require a single room or have allergies to pets) please let us know as soon as possible.

Will there be WiFi available at the homestay?

Most homestays can give you free WiFi access through their internet connection. All three school buildings have WiFi and you will have access to a computer room and printers.

How easy is it to get into London from Ramsgate?

There is a regular fast train service into London from Ramsgate station. There is also a bus service which is cheaper but slower and less regular.
