WHY LEARN WITH IH LONDON

Our teaching experts speak at world-famous industry events such as IATEFL and we host our own annual training conference. Many of our teacher trainers are also published authors.

We are accredited by The British Council, EAQUALS and ISI (Independent School Inspectorate). Our latest EAQUALS inspection showed high-quality standards in ALL areas, with the majority exceeding the high-quality standards demonstrating what the inspectors called “consistent excellence”. In our most recent ISI inspection, we were rated as “exceeds expectations” in every category.

WHO WE ARE

Our story began in 1953 when John Haycraft (CBE) and his wife Brita Haycraft started a school, because they believed in intercultural understanding through language learning. We have continued their mission and changed people’s lives through language for nearly 70 years. International House London is a charitable trust and we reinvest profits to improve your learning experience.

TEACHERS’ PROFILES

Our teachers are all CELTA-qualified; many are Delta-qualified. Both teaching qualifications represent excellence in teaching and are assessed by the University of Cambridge.
